REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art when taken separately or combined fails to teach and/or show a light emitting diode covered by a resin package having a base portion covering the lead frame and an expansion portion having a curved face causing total reflection of the light emitted by the light emitting diode and a contraction portion located between the expansion portion and base portion in which the contraction portion has a lateral cross section smaller than a maximum lateral cross section of the base portion as per claim 1. The prior art when taken separately or combined fails to teach and/or show a light emitting diode covered by a resin package having an expansion portion having a curved face causing total reflection of the light emitted by the light emitting diode and a convex lens portion for concentrating the light and a diffusing part formed in a part of the convex lens portion as per claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen F. Husar whose telephone number is 571-272-2371. The examiner can normally be reached on Mon-Fri from 6:30-3:00.
